

The main toolbar is active in ALL views.

Customer ID

There are only two records in the Customer ID function. One is for alcohol purchasing and one is for cigarette purchasing. It lets you restrict the ages of who buys those items.

A / R	Category	Collection	Deal	EOD	InvenCount	MOP	Prod Code	Tank Charts	REPORTS
A/R Invoice	Chart/Accts	Contacts	Dept's	EOD Gas	Master	Notes	Purchases	TimeCard	Print #10 Envelope
Blue Law	Checks	Customer ID	Employee	FeeCharge	Menu	PLU	Softkey		FUNCTIONS

- 1) From your Main Accounts view click on the 'Customer ID' Button.
- 2) Click on the 'Record' R button.

Record: Customer ID
